

Dear Friends and Family,

I recently accepted the challenge to raise funds to support the 2010 Have A Chance Walk To Fight Brain Tumors, which will take place on Sunday, October 17th at Battery Park in Manhattan. The Walk will raise money to bring an end to brain tumors, which affect more than 200,000 people each year.

Please help support this important event by contributing generously to the Have A Chance Walk To Fight Brain Tumors. Your tax-deductible contribution will benefit Voices Against Brain Cancer (VABC); an organization dedicated to finding a cure to brain tumors. With your support, we can help increase awareness and support patients and families affected by this disease.

It is faster and easier than ever to support this great cause - you can make your donation online by simply clicking on the link at www.HaveAChanceWalk.org. For more information on the Have A Chance Walk To Fight Brain Tumors call 866-526-WALK or go to www.HaveAChanceWalk.org.

Every donation brings us closer to a cure! I greatly appreciate your support and will keep you posted on my progress.

Sincerely,
